HISTORICAL SKETCH

On April 13, 1950, a group of Christian Scientists met for the purpose of discussing the formation of a Christian Science Society in Fairfax, Virginia. On Sunday, May 14, 1950 at 11:00 am, a Christian Science service was held in the Fairfax Town Hall with twenty-nine people in attendance.

Regular Sunday church services at the same location and time were complemented by the convening of a Christian Science Sunday School on June 11, 1950. The Sunday School was held in a small upstairs room of the Town Hall at the same hour as the church service.

Church services and Sunday School were held at the Fairfax Town Hall each Sunday at 11:00 a.m. until October 26, 1958. At this time, the group moved into a new church building, constructed on Old Lee Highway (Route 237), Fairfax, Virginia.

As a loyal branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, this church is founded on the Rock, Divine Truth and Love, and the Spirit of our church government is embodied in the following extract from an article entitled "Christian Science Board of Education" by Mary Baker Eddy in *The First Church of Christ, Scientist, and Miscellany*, page 254:

"The Magna Charta of Christian Science means much, *multum in parvo*--(all-in-one and one-in-all). It stands for the inalienable, universal rights of men. Essentially democratic, its government is administered by the common consent of the governed, wherein and whereby man governed by his creator is self-governed. The church is the mouthpiece of Christian Science, - its law and gospel are according to Christ Jesus; its rules are health, holiness, and immortality, - equal rights and privileges, equality of the sexes, rotation in office."

BYLAWS

ARTICLE I - NAME

The name of this church shall be First Church of Christ, Scientist, Fairfax, Virginia.

ARTICLE II - PURPOSE AND ORGANIZATION

Section 1. Purpose.

The purpose of this church is to promote the truths of the Bible as taught and demonstrated by Christ Jesus and as explained through the writings of Mary Baker Eddy, and to help “reinststate primitive Christianity and its lost art of healing” in accordance with the *Manual of The Mother Church*, p. 17.

Section 2. Relationship to The Mother Church.

This church is a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. We acknowledge The Mother Church as the central governing authority of the Christian Science movement. This church will be governed by the *Manual of The Mother Church* by Mary Baker Eddy insofar as it applies to branch churches. The Tenets of The Mother Church are also the tenets of this church. (These tenets may be found on page 497 of *Science and Health with Key to the Scriptures* by Mary Baker Eddy.)

Section 3. Services and Activities.

This Church shall hold regular Sunday services and Wednesday evening meetings throughout the year in accordance with the provisions of the *Manual of The Mother Church*.

It shall hold Thanksgiving and Communion services as authorized in the *Manual of The Mother Church*. This church shall maintain a Reading Room (and/or contribute to the maintenance of a Joint Reading Room), and sponsor at least one lecture per year.

Section 4. Dissolution.

If this branch church should dissolve, all funds remaining after payment of obligations will be dispersed as directed by the membership at the time of dissolution, provided that the dispersal of funds goes to organizations that ultimately serve the cause of Christian Science.

ARTICLE III – MEMBERSHIP

Section 1. Eligibility and Qualifications.

To qualify for membership in this church, an applicant must:

- Be a believer in the doctrines of Christian Science according to the platform and teaching contained in *Science and Health with Key to the Scriptures* by Mary Baker Eddy.
- Have reached the age of 12.
- Have severed his/her relationship with any previous faith or church other than The Mother Church.
- Reside in Northern Virginia within a reasonable drive of this church.

Section 2. Notification.

The Board shall provide a two-week notice to the membership of their intention to consider any applicant for membership or reinstatement.

Section 3. Application for Membership by Transfer from Another Christian Science Branch Church or Society.

(a) The Executive Board (hereinafter referred to as *the Board*) may, at its discretion, receive applications from former members of a Christian Science Society or Church of Christ, Scientist who present a letter of withdrawal in good standing from such Society or Church which is dated within the past two years.

(b) Such applicants shall be afforded the opportunity of reading the bylaws of this church prior to an interview with the Board, or with the Membership Committee, if one has been established.

(c) After such applicants have been interviewed and have indicated a sincere willingness to uphold these bylaws, and the Board approves their membership unanimously by Board members present and voting, they shall enter into membership. If the Board does not approve their membership unanimously, the question shall be referred to the membership as a whole at the next appropriate business meeting, where a majority vote of members present and voting shall be sufficient to approve the application.

Section 4. Application for Membership Other than by Transfer.

(a) Application for membership must be accompanied by sufficient evidence of severance of membership from the church/religion to which the applicant previously subscribed.

(b) Such applicants shall be afforded the opportunity of reading the bylaws of this church prior to their interview.

(c) After such applicants have been interviewed and indicated a sincere willingness to uphold these bylaws, and have been approved by a unanimous vote of the Board (members present and voting), they shall be admitted into membership. If not

approved by the Board, the question shall be referred to the membership, where a majority vote (members present and voting) shall be required to approve the application.

Section 5. Membership Objection (for any prospective candidate, whether by transfer, other than by transfer, or reinstatement).

If a member desires to object to an applicant, he shall file such objection in writing with the Board before the Board meeting at which the applicant is to be considered. The applicant shall be given a hearing by the Board as soon as possible with the intent to resolve the objection. After consideration of the evidence, the Board shall either accept or reject the applicant by a majority vote of Board members present and voting. If accepted, the applicant shall be informed by the Board.

Section 6. Entrance into Membership.

Each person admitted to membership shall sign the church register and be welcomed by the church membership after a Sunday service.

Section 7. Withdrawal.

Any member desiring a letter of withdrawal shall make application to the Board in writing, preferably stating the reason for withdrawal. The Board shall issue letters of withdrawal to members in good standing who request such letters.

Section 8. Reinstatement.

A person whose membership with this church has been withdrawn, but who desires to reunite with it, shall be required to make application to the Board for reinstatement. If approved by unanimous vote of the Board members present and voting after an interview, the applicant will be admitted to full membership at once. If the Board vote is not unanimous, then the question will be referred to the full membership. A majority vote of the membership present and voting shall approve reinstatement.

Section 9. Duties.

The duties of members are summarized as follows:

- Be guided by **Article VIII Guidance of Members** from the **Manual of The Mother Church**, paying particular attention to the daily responsibilities described in *A Rule for Motives and Acts*, the *Daily Prayer*, and *Alertness to Duty*.

- or has become essentially inactive for a period of one year or more, or
- has compromised the reputation or integrity of the church as the result of a member's conduct,

the Board may, in the spirit of true Christianity, and in consonance with Matthew 18: 15-17, and in strict confidence, approach the member to determine if the bond uniting them with the church can be repaired/restored. If the Board determines that discipline is warranted, that member may be suspended (designated "inactive") by a unanimous vote of the Board. When a unanimous vote of the Board cannot be reached, or when the Board's recommendation is to drop the individual from membership, a vote of the membership is required. The direction of the membership may be sought at a business meeting, where a 2/3 vote of the membership present and voting is required to either suspend or drop a member.

Section 2. Notifications.

Notifications of suspension or removal from church membership shall be made by registered mail.

Section 3. Suspended Member.

Any member of this church who is under suspension by the Board shall surrender all keys and all church properties, refrain from any and all participation in committee work, and shall not be eligible to receive notices of church activities nor attend any church meetings for members only. The Executive Board will approve guidelines for the committee.

- (b)** The Clerk of this church shall call the first meeting of the new Board directly after the annual Board election meeting in February and preside until a Chairman and Vice Chairman are chosen from among its members by ballot. The Chairman, or in his or her absence, the Vice Chairman, shall preside at all scheduled meetings of the Board.
- (c)** Only Board members and the Clerk may attend the meetings of the Board. However, in appropriate cases, the Board may invite one or more other individuals to attend Board meetings specifically to aid the Board with respect to the disposition of Board business. A church member may bring relevant church matters to the attention of the Board either by letter, email, or by contacting the Clerk.
- (d)** All communications concerning Board business, including business conducted at Board meetings, are confidential and shall be discussed with others only if such discussion is necessary in connection with the conduct of church affairs.

Section 3. General Authority.

The Board is authorized to make contracts and purchases; collect and disburse all money; authorize the Trustees to receive title to real property, books, furniture, and other chattels acquired by duly authorized purchases, gifts or bequests, according to the laws of the State of Virginia, provided the acquisition of real estate shall be first approved by a majority of the members, who are of legal age, present and voting, at a business meeting. The Board shall have oversight and care for all buildings and grounds.

Section 4. Substitute Officers.

The Board shall be responsible for providing suitable substitutes during a temporary absence of officers. Temporary appointments shall be made preferably from present or recently past elected officers. Substitute Readers shall be chosen, when possible, from those who have previously served as Readers. Such appointments shall not extend beyond six months.

Section 5. Annual Audit.

The Board shall task the Trustees to conduct an annual audit of all accounts of the church as of the fiscal year ending March 31. The results of such audit shall be reported to the membership by email or at the regular business meeting of the church the following June.

ARTICLE VII – EXPENDITURES AND BUDGET

Section 1. Definitions.

(a) Recurring Operating Expenditures are those normal and recurring expenditures made in the course of a year to operate the church and Reading Room, such as salaries, utilities, rent, taxes, lecture costs, insurance, etc., including individual maintenance and improvement expenditures up to two thousand dollars (\$2,000).

(c) Budget - “An estimated schedule for expenditure of money in proportion to income.” – Webster’s New Concise Dictionary.

Section 2. Budget.

The Board ensures that a draft annual budget is prepared for each fiscal year. The church fiscal year is from April 1 to March 31st. The presentation, discussion and adoption of the budget will be the first item of business at the March Quarterly Business Meeting. Approval of the budget shall imply approval for payment of recurring operating expenditures included in the budget. However, the vote to adopt the budget shall not indicate approval of major maintenance or major improvement projects. Such projects must be approved by a separate vote or votes. Approval of all expenditures shall be governed by Article VII, Section 3.

Section 3. Expenditures.

(a) No expenditure shall be made or total obligation incurred to exceed two thousand dollars (\$2,000) except under authority conferred by a majority vote of the members present and voting.

(b) No expenditure shall be made or total obligation incurred to exceed five thousand dollars (\$5,000) per need except the membership first be notified of such a proposal in the call letter for the meeting.

(c) The membership shall be given adequate information (such as bids, samples, comparisons, or professional opinions) before voting for expenditures greater than five thousand dollars (\$5,000). Whenever possible, for expenditures over five thousand dollars (\$5,000), multiple bids should be sought and the results presented to the membership prior to a vote.

(d) A 2/3rds vote of members present and voting must approve each major maintenance or major improvement expenditure involving costs in excess of ten thousand dollars (\$10,000).

(e) In case immediate action is required to protect church property or maintain church services, and for which it is not practical to call a special membership meeting, a majority of the Board may certify that an emergency exists and authorize an expenditure of the amount necessary to meet the emergency. In the event that a majority of the Board is not available, other church members may be substituted for missing Board members in order to obtain the necessary number of people needed to certify an emergency and authorize an emergency expenditure.

ARTICLE VIII - COMMITTEES

Section 1. Establishing Committees.

The Board shall establish and dissolve permanent and/or ad hoc committees as needed or at the direction of the membership.

Section 2. Appointments.

(a) The Board shall appoint all committee chairmen and will also appoint an initial set of committee members from the active membership of the church. After that, committee chairmen may recruit members for the committee themselves, notifying the Clerk of any members who leave the committee and any new member who agrees to join. The one exception is the Sunday School, where any new teacher must be proposed by the Sunday School Superintendent and then be appointed by the Board by a majority vote of Board members present and voting.

(b) Each committee shall have a vice chairman whom the chairman shall select from the committee members.

(c) Pupils of the Sunday School (who are not also church members) may be appointed by the Board to serve on church committees.

Section 3. Committee Requirements.

(a) Each committee shall have at least one meeting in the committee year and shall present the Board with an informal report of their activities, as appropriate.

(b) All recommendations and formal reports from committees to be made to the church membership shall be submitted in writing and in advance to the Board. Reports to the membership shall be short and concise.

ARTICLE IX - BUSINESS MEETINGS

Section 1. Regular, Election, Special and Virtual Meetings.

(a) Regular Quarterly Business Meetings (QBM).

Quarterly meetings for the hearing of reports, election of new members and transaction of business shall be held on the second Monday in March, June, September and December, except that if the June meeting occurs on the date of the Annual Meeting of The Mother Church, it shall be held on the first Monday in June. If exigencies require another date for a particular meeting, the Board must select that new date and inform the membership expeditiously.

(b) Regular Election Meetings.

(1) Election of Readers. A meeting solely for the election of Readers shall be held on the second Monday in January, when there is a Reader whose term is expiring.

(2) Election of Officers. A meeting solely for the election of Board members, and, as required, a Presiding Officer, shall be held annually on the second Monday in February.

(c) Special Meetings.

Special meetings may be held at any time by a call of the Board or upon written, signed request of eight members in good standing. Whenever such a meeting is called for by the membership, the Board shall be obligated to call the meeting promptly. The object of the special meeting shall be stated in the call letter. Once a Special Meeting has been called, and at the discretion of the Board, other business may be conducted and should be included in the call letter.

(d) Virtual Meetings.

Regular, Special, and Emergency Meetings may be virtualized at the Board's discretion when weather or other exigencies make such a meeting advisable, or an urgency exists which requires a quick decision/vote on church business. Virtual Meetings may be conducted, provided:

(1) The Board announces the meeting with a call letter sent to all members.

(2) The Board establishes a virtual method for the meeting, such as email, web audio conference, web teleconference, telephone conference call, Skype, chat or some other form of virtual connection.

(3) All necessary notes, reports, and information are sent to the membership in advance to inform their decision-making.

(4) A quorum is set; a genuine effort is made to contact all members who are

not on email in order to include them in the process; and a date and time is set for the close of voting.

(5) The results of the meeting are conveyed immediately to the membership.

Virtual meetings should not be considered when the issue(s) to be taken up are complex or where it appears that members will need a live forum to discuss opinions and consider alternatives.

(e) Holidays.

In the event that a regularly scheduled membership meeting falls on a legal federal holiday, then the meeting will be held on the first Tuesday following the legal federal holiday, or on another date selected by the Board.

Section 2. Notice of Meetings.

(a) All business meetings shall be announced at three consecutive services of this church immediately preceding the date of each meeting.

(b) Formal written notice of all quarterly business, election or special meetings shall be communicated to each member at least two weeks in advance of the meeting.

This notice shall contain:

- 1)** the names of any applicants to be voted on for membership
- 2)** any proposed bylaw amendments
- 3)** any proposals for expenditures of funds exceeding five thousand dollars (\$5000), and appropriate supporting data in accordance with Section VII 3 (c).
- 4)** major issues/questions to be discussed or voted on
- 5)** a copy of the proposed annual budget along with appropriate explanations (for the March QBM), and
- 6)** a list of all offices to be filled if the meeting is an election meeting.

If, in the event of the need for an emergency meeting, a written two-week notice of that meeting is not practical, then any feasible and expeditious means of notification shall be used.

(c) Notice of meetings shall include citations from the Bible, the *Manual of The Mother Church* and/or other writings by Mary Baker Eddy relating to church guidance.

Section 3. Quorum.

(a) A quorum consisting of 40% of the resident membership in good standing shall be necessary for the conduct of business. In this case "resident" shall mean members known to be currently residing within easy commuting distance of the church and not temporarily out of the area.

(b) In general, only members of this church shall be permitted to attend church business meetings. However, outside consultants, engineers, etc., may attend portions of business meetings in order to inform the membership.

Section 4. Order of Business.

(a) Quarterly Meetings shall follow this order:

1. Readings from the Bible and from the works of Mary Baker Eddy.
